2022 Friend of SABA San Diego Award: Deborah Dixon

This award recognizes a member of the San Diego legal community for their exemplary sustained support of SABA San Diego and other affinity bar organizations. This year we honor Deborah Dixon for leading by example and not only supporting SABA San Diego but also promoting the professional development of diverse women in her firm.

2022 Law Student Scholarship: Amandeep Ghuman

We proudly present the $5,000 scholarship sponsored by Jones Day to Amandeep Ghuman, a second-year law student in the top 10% of her class at California Western School of Law, whose family experience drives her passion to help those who feel disempowered by our legal system. In addition to engaging with SABA San Diego, Amandeep has held leadership roles in the South Asian Law Students Association at Cal Western.

Keynote Speaker: Najla Ayoubi

Najla Ayoubi, Chief of Coalition & Global Programs at Every Woman Treaty, is a lawyer and former judge from Afghanistan who has extensive experience in the judiciary, elections, human rights, and women’s empowerment. A former prosecutor and member of the Independent Election Commission and Joint Electoral Management Body of Afghanistan, Ayoubi served as a Legal Advisor to the State Ministry for Parliamentary Affairs and as Country Director for Open Society Foundation’s Afghanistan office. She is a Founding & Global Executive Board Member of Women’s Regional Network and an Executive Board Member of the Afghan Woman’s Network.
